Thursday Lunch	12:00	14:00	£4,000	To commence 25 th September

Super League Format

- Each league consists of 16 teams.
- Following the completion of 1 round of fixtures (i.e. each team will have played every other team once) the league will be split into 2 divisions with the top 8 teams forming Division 1 and the bottom 8 forming Division 2.
- Each team will then play teams from their division on a further 2 occasions.
- The total length of the season will therefore consist of 29 games (each game lasting 30 minutes).
- An end of season 'Final's Night' will take place involving all teams. Every team will collect a cash prize but the size of the prize awarded to each team will ultimately be determined on Final's Night.

Prize Fund Information & Final's Night

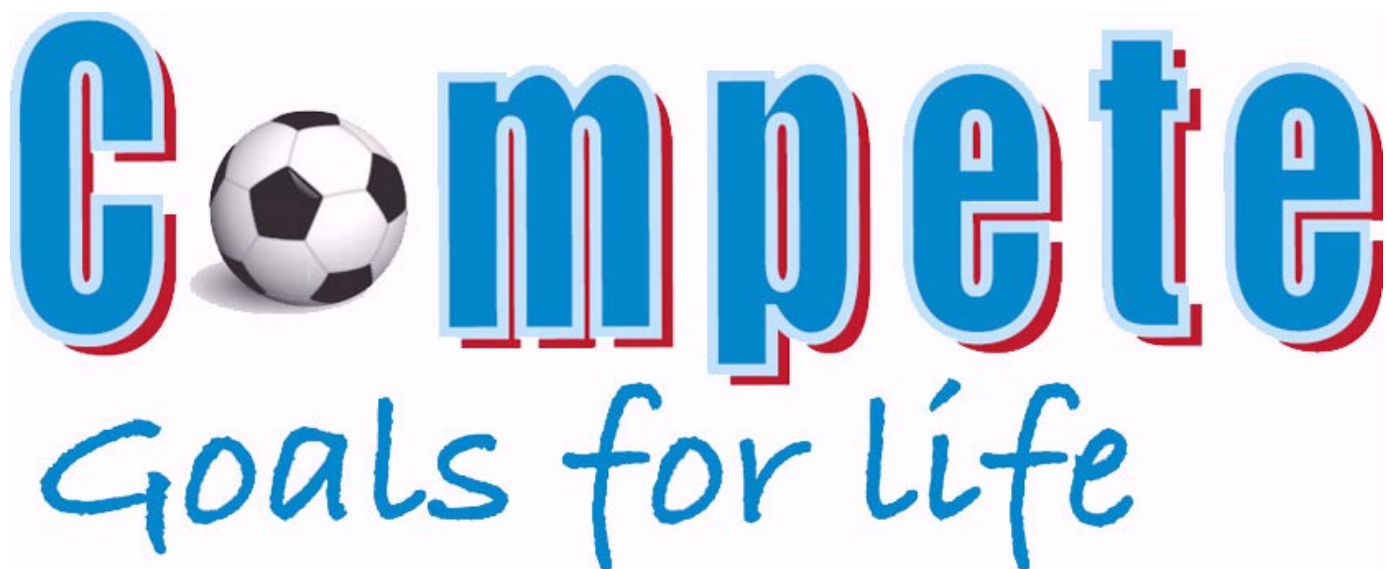

Prize Fund Structure & End of Season Final's Night

At the end of the season there will be a 'Final's Night' where every team will be placed into a group of 4 teams where a round robin format competition will take place. Each team will play 3 games and each game will last 10 minutes.

Which group your team is placed in depends on their finishing position in the league. The prize fund available to each group is dependant on the group that your team is placed in. The prize money each team collects will depend on their finishing position within their group. Please see table below for full details (note the table below is based on a £4,000 prize fund).

One of the key objectives of hosting a 'Final's Night' is to ensure that every team still has something to play for irrespective of the position that they occupy in the league.

*NB. For lunchtime leagues 'Final's Night' will take place at lunchtime

League finishing position	Group	Group prize fund	Group finishing order	
1 st	A	£1800	1 st	£720
2 nd	A		2 nd	£540
3 rd	A		3 rd	£360
